Callide Dawson Carcase Competition 2015

Grenada and Wales Grazing take out major prizes again Six Years in a Row!!!

Congratulations once again to this pair of
Bazadais breeders.

It is unbelievable to think that every year
the Bazadais cross cattle have been
entered in this competition they have done
so well.

Keith and Bev Lacey from Capella near
Emerald say they enter their cattle now
because it has become a bit of a hobby.
Keith loves to see how they hang up and
what their results are. He says he is
constantly blown away by how well the
cattle perform.

The Lacey's cattle are mostly Bazadais /
Droughtmaster second cross with a few
Bazadais / Brahman cross.

Eddie & Donna Wales from Biloela have
been entering the competition for a few
years now with their Bazadais / Grey
Brahman cross and he is most impressed
with the results.

Both Keith and Eddie market their cattle
direct to butchers and these competitions
keep them informed on how their cattle are
performing.

Free Advertising on Website

Our Website is a promotional tool that needs to be an active site to be ranked higher on the Google search engines. We are happy to update the site with Cattle for Sale and Semen and Embryos for members.

Under the "Cattle for Sale" page on the site the Society is offering members 60 days advertising for free. There will be a text box about business card size stating your stud name and contact details with a link to photos and details of what you are offering for sale. Please remember a photo is worth a thousand words so make it a photo that is good quality, nice and clear that will entice prospective purchasers to look further.

The "Cattle For Sale" page will only display adverts for 60 days and then they must be removed. If members wish to continue the advertisements they must be renewed. If you sell please let us know. We would also like some feedback. If you have semen to advertise for sale it must be from an AI approved sire.

Please submit details to info@bazadaisaustralia.com. Only good quality clear photos will be accepted for display.

Aquitanima Bordeaux 2016

Wouldn't you just love to go!!

French cattle seen on the farm tours by the members in Bazas 2008

The Bordeaux show is on in May 2016 the dates are still to be finalized but I think it will be around 12th -16th. It is a week long festival with farm tours of Bazadais cattle, cattle classes at the show, lunches, dinners and a conference night.

If you are interested let me know ASAP and start looking for your cheap flights. If you have time we may even look into going to the UK and visit a few farms there too. Members had a great tour in 2008.

Contact Sue Garrett 07 55432165 or email garbrook@bigpond.com

Brisbane Ekka 2015 Paddock to Palate

Reserve Champion Carcase in the 100 day Grain fed is no mean feat.

Congratulations to Geoff & Sonya Comiskey from Old Mount Stuart Capella near Emerald.

Not sure what it is about these Capella cattle they certainly do well !!

The Reserve Champion Carcase

Bon app'etit Bazadais at C'est Bon

Geoff and Sonya thought so much of the Bazadais cross cattle they entered in the Paddock to Palate at Brisbane Ekka they decided to have a small dinner at C'est Bon Restaurant at Woolloongabba. Little did we know we were about to eat the Reserve Champion carcass Sirloin.

There were a few Society members in Brisbane for the show that were able to attend and some invited guests, from Ag Force Emerald, Lowood Embryo Centre and Bayer Australia which made for a very pleasant evening. What better than some beautiful Bazadais steak in a quaint little French Restaurant. Celine Damour C'est Bon restaurateur and her chef husband Peter Roelfes did the Bazadais proud with a superb dinner of Bazadais F1 Sirloin. Everyone congratulated Geoff and Sonya for their foresight in holding the dinner which they hope will be the first of many at Brisbane Exhibition. The team from Bayer Australia were so impressed with what they ate they offered some support to our society in the way of advertising and product.
